Retracting on the 90-day exchange warranty from FNAC

By **nicobearn**, on **17/12/2008** at **23:38**

Hello,
I bought 11 days ago a PC at FNAC with the 90-day exchange warranty which is quite expensive.
Or I noticed when consulting the warranty booklet which is given after the purchase that the clauses are much too restrictive and in any case more than what the seller promised...
To validate the adhesion, you have to send the signed form to FInaref, which I have not yet done.
But I have already paid at the time of purchase and I would like to retract to get my warranty refunded.
Is it possible and how do I do it?
Thank you for your help.
