Retracting order

By **gilles_old**, on **19/05/2007** at **09:20**

I signed an order for an annual yellow pages publication. I want to cancel the order before 7 days. Is it possible? Thank you.

Hello,
The 7-day withdrawal right of the consumer applies for doorstep sales and sales by correspondence.
In your case, I would need some details: did you pay anything? Under what circumstances did you make this request for publication? Was it on the internet?

Hello,
A yellow pages commercial has moved to my home after an appointment.
I did not pay anything the same day, a debit of payments was made.
Thank you in advance.
