Retracting preliminary contract

By **zerocool6707**, on **25/11/2009** at **20:32**

Hello, we have signed a preliminary contract in view of the purchase of an apartment which will be realized later (purchase VEFA). But we have not yet given the check of deposit of guarantee. The contract has not yet been sent by AR. We signed on 24/11/2009. Can we retract? Is a receipt necessary or recommended? Thank you in advance for your answer. Your help will be beneficial. Cordialement, Jonathan
