Retracting on order form

By **kevinlucas**, on **30/03/2010** at **11:25**

Hello, I have signed an order form for solar panels on Tuesday 23 March and I would like to retract. I would like to know exactly until what date I can send a registered letter. Thank you for your answer. Cordialement

You have a 7 day deadline starting from the day after the day of the order or the signature of the contract. If the deadline expires on a Saturday, Sunday or public holiday, it is extended to the first working day. Send the retraction form by registered letter with acknowledgment of receipt. Title of info, how much does it cost?
